Love the Lord, Your God...
With All Your Might

*"Bodies are a gift from God.... Bodies matter to God. In our creation stories, we see that the creation of our bodies took time and contemplation, mud and breath.... God created our bodies in God's image and looks at us and says we are indeed very good."
- Ellie Roscher*

ANTHEM *The Table of Peace*^{^^} Diane Hannibal/Barbara Furman
arr. Stacey Nordmeyer

All who are weary, lost and alone,
All who are seeking, I am your home.
All who are grieving, burdened by sin,
I am your comfort, let healing begin.

Refrain:

Come, come to the table of peace.
Bring ev'ry burden, bring ev'ry need.
Come, come to the Savior,
Come, to the table of peace.

All who are wounded, all who are worn,
All who need shelter, a place from the storm.
All who need mercy, all who need rest,
I am your solace, come and be blessed.
